

# We've Got the GROOVEX

## NEW PACKAGING ANNOUNCEMENT

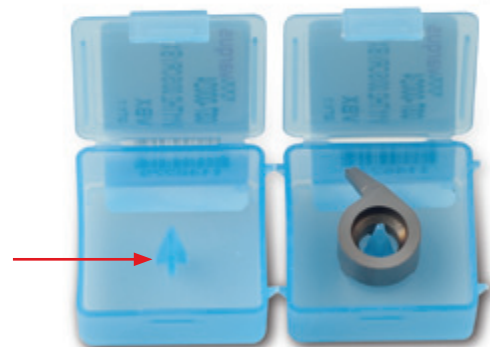

### New GROOVEX Product Packaging for **Mini-V** and **GM Slot** Inserts

Snap-off for simple handling

Special cone-shaped insert holder is suitable for full range of Mini-V and GM Slot inserts

**Mini-V**

**GM Slot**

## Features

---

- New snap-off package design - insert box pairs can be detached when single inserts are required
- Each box contains a single insert
- Special cone-shaped insert holder is suitable for:
  - **Mini-V** insert sizes: **08, 11, 14, 16**
  - **GM Slot 7V** and **9V** insert sizes

## Benefits

---

- Easy to count and maintain stock of inserts
- Use only what you need - single inserts not in use can be saved in the package for future use
- Easily detachable insert compartments allows you to distribute the exact number of inserts required
- Durable plastic boxes that are easy to open and close
- Efficient product storage - no empty unused compartments

## Availability

---

The new product packaging for **Mini-V** and **GM Slot** inserts is now in stock

## Ordering Information

---

Inserts can be ordered in pairs, or in even number quantities
